

**Thursday 2nd August
2012**

Pay someone a compliment today. Lift someone else's self-esteem. It doesn't take away from your own.

INCURSION

Yesterday our grade 5 and 6 students attended a Brainstorm Production called 'The Magic Words'.

Initially, the characters start to argue and their bad feelings flow onto others until they find some magic words. These magic words such as excuse me, please and thankyou totally change the way people react to them and the respect they are shown.

The play was a dramatic representation, which highlights some of the complex issues involved in how we develop our values and how our behaviour affects others. The play promotes classroom discussions about the broader issues of respecting others and understanding differences.

These incursions are aimed at instilling our values into our students and developing them into fantastic people and citizens.

PEARCEDALE'S YOUNG TALENT TIME

Pearcedale had its very own 'Young Talent Time' yesterday where a number of students performed on the deck at lunchtime. There was a variety of talent on display which was thoroughly enjoyed by the students performing and the students watching. Congratulations to Olivia from grade 6 who won with her performance of 'Telephone'. Many thanks to Tony Hagan for organising this event. Pictured below are some of the performers.

SPORTING NEWS—AUSTRALIAN TITLES

Congratulations to Matt and Nina from grade 6 who will be representing Victoria at Australian Championships in their respective sports in the near future.

Matt has once again won the State Cross Country Championship for his age group recently and now travels to Adelaide for the Australian Championships during August.

Nina is a very talented horse rider who came second in her age group in the State Equestrian titles and now goes to Queensland to represent Victoria at the Australian Equestrian Championships during October.

WAKAKIRRI

This year's Wakakirri Performance is to support the 'Free the Bears Fund' and our performance is called 'The Last Dance'. Our students have been working hard in rehearsals to ensure they are ready for our local performance at school on Sunday 19th August. Our heat performance is at the Frankston Cultural Centre on Wednesday 29th August where we perform alongside other schools from the Frankston Peninsula area. If we are successful in our heat we will go on to the grand final performance sometime during term 4.

We have over 100 students participating in this exciting event and we wish them all well as they approach the last weeks of rehearsal. This will be a wonderful experience for all involved and will be a great memory of school days that will stay with the children for many years.

OLYMPIC-A-THON

As mentioned, last week's Olympic Parade and Olympic-A-Thon were fantastic and enjoyed by all. To finalise this event we would ask that all sponsorship money is returned with the forms by this Friday. We will be using the much needed money raised to erect covers where the grade 1 and 2 children line up and to help replace classroom computers.
