

**Thursday 9th August
2012**

I've missed more than 9000 shots in my career. I've lost almost 300 games. 26 times, I've been trusted to take the game winning shot and missed. I've failed over and over again in my life. And that is why I succeed!

Michael Jordan

The focus of our school is for students to believe in themselves and realise that they can succeed. Small failures along the way are all a part of the journey to success. At school we promote the foundations from the 'You Can Do It' program of 'Persistence, Resilience, Organisation, Getting Along and Confidence' and try to instil these into the children as a part of our welfare focus.

Last week Trish Jones in the library organised an incursion called the 'Ned Show'. The presenter delivered the NED message of:

- Never Give Up
- Encourage Others
- Do Your Best

The message was delivered using a 'Yo-Yo' in a positive way and now many of you will have yo-yo's displaying the NED message, in your homes. Whilst yo-yos are great fun it is important that families reinforce the messages that the NED yo-yos carry to help build our children into successful adults.

TRIVIA NIGHT

The Trivia Night last Saturday was a fantastic night and thoroughly enjoyed by everyone. The winners of the Trivia night were 'Sea Patrol', so a big congratulations to everyone in the team. This year we had a record attendance of 182, encompassing past parents, teachers, friends of the school and loads of new faces. Some serious trivia buffs turned up as did the hecklers, which made for a funny but productive night, making close to \$5400 for the school. Many thanks to Donna Williams and her team of helpers for all their organisation and hard work to make the night such a success.

HOOPTIME BASKETBALL

On Monday, our Grade 4s were involved in a Hooptime Basketball tournament, held at Cranbourne. We entered 5 teams, 3 making Semi Finals and the others just missing out. The Allstars Boys team went on to win their Grand Final and will now compete at the Regional Finals in October. Well done to all the competitors on their efforts and outstanding Sportsmanship. Thanks to our Grade 6 coaches Mason, Travis, Jayde and Allyssa, who did a fantastic job. Thanks also for the wonderful help and support from the parents on the day.

WAKAKIRRI WORKERS

I would like to thank all the staff and parents who are working hard to ensure that our Wakakirri costumes and backdrops are ready on time for this year's performance. Each year there is an enormous amount of work that goes on behind the scenes to support our students and their performance and I sincerely thank everyone involved.

FREE DRESS DAY

Tomorrow we are having a Free Dress Day to support our students Matt and Nina who are representing our school and state at the Australian Championships in the next couple of weeks. Matt is competing in Cross Country and Nina in Equestrian after winning Victorian titles in these sports. Children can come to school in 'free dress' in exchange for a 'gold coin donation' which will help support these students to compete interstate. Once again many thanks to our supportive school community.

THRASS INFORMATION EVENING

Just a reminder that there is a Thrass Information Night on next Tuesday evening for those parents who have replied. The information evening will help those parents to understand the thrass program and enable them to support their children. Many thanks to the staff who are running the evening.

This year we seem to have experienced a very wet and cold winter which seems to have gone on and on. Whilst our catchments are enjoying the rain I'm looking forward to feeling a bit of spring warmth as the days get longer and slightly warmer in the coming weeks.

District Netball

Last Tuesday, our school netball team competed at the District finals at Frankston. The team consisted of Tahlia C, Meg, Maddi, Bec, Shan, Kristen, Laura and Shayla. We had a great game against Red Hill PS, with only a few goals in it all game, but unfortunately couldn't quite catch them. It was a fantastic effort by the defenders, getting a lot of intercepts and turnovers. The goalers were, as usual very accurate, and had to work really hard against some very good defenders. Our centre court ran and ran all game. It was fantastic effort and I am very proud of you all. Thank you to Mollie and May who were always there if we needed them. Also a massive THANKYOU to all the wonderful parents for supporting our team all season and particularly to Nadine for coaching the Mixed Team.

Congratulations to all three students on a fantastic achievement. The girls will now travel to Sydney to compete again in the Aerobic National Title. Good luck!
