

Pearcedale Post

A message from our Principal - Simon Anderson

Issue 3 - 26th May, 2017

Year 4 Camp

This week our children in Year 4 experienced a wonderful City Camp experience. By all reports the children travelled many kms every day visiting a vast array of attractions including The Shrine, The Aquarium and they even went ice skating! Thank you to the staff and parents who attended and ensured that our wonderful Year 4 students enjoyed the sights and experiences around Melbourne. I believe that our children received many compliments on their behaviour and manners - great representatives of Pearcedale!

Car Parking

On "FlexiBuzz" (Tiqbiz) this week we sent out a notification pointing out that VicRoads has reinstalled the "No Standing" signs in front of the school on Baxter-Tooradin Rd. These signs have been missing for a while now and parents have started using this as a drop off and pick up zone. Please refrain from doing so, as it is unsafe, but also I am positive that the council will be sending officers to enforce this in the near future!

Front Garden

Have you noticed the wonderful transformation taking place in the gardens at the front entrance to our school. A huge thank you to Nicole Bidey and Debbie Davies - These lovely ladies come in every Monday morning and have slowly been transforming this area. We did have a few other parents assisting but unfortunately have had to stop. If you are able to help please come along on a Monday at about 11:30am. If this time does not suit you, we would be happy to get some volunteers for our gardens at other times too! Please contact Jeff Mead for further details.

Uniforms

Please check your children's uniforms—we have lots of lost property at the moment—we also have lots of missing named uniforms. If you find your child has inadvertently brought home the wrong jumper, please return it to the office so we can reunite it to the rightful owner!

Special Friends Day

Thank you everyone for attending our Special Friends Day—we hope you had an awesome experience!

WE WANT OUR STUDENTS TO TELL US WHAT THEY THINK

We value student voice as a means to improving student engagement, wellbeing and quality instruction and are conducting a survey to find out what your child thinks of our school. The **Attitudes to School** survey is an annual student survey offered by the Department of Education and Training to assist schools in gaining an understanding of students' perceptions and experience of school. Our school will use the survey results to plan programs and activities to improve your child's schooling experience.

The Department has updated the survey for 2017 to include important new measures that are known to influence student engagement and performance. Students from Pearcedale Primary School **Years 4-6** will participate in the survey. Your child will complete the survey online during school hours using a purpose built secure online survey tool. It is important to note that we are not in any way "testing" your child. Your child has the right to refuse or withdraw from the survey at any point before, during, or after completion of the survey.

Your child will be provided with a unique login to complete the survey. The student login is an **assigned identifier** that may be used by the Department to combine data for research purposes only. Your child's privacy and the confidentiality of your child's survey responses will be protected at all times. No identifiable personal data is included in the survey response file.

The survey results will be reported back to the school in term 3. No student can be identified in the results reported to schools or in any other report of the data.

Pearcedale Primary School may inform that the survey results will be communicated to parents through annual reporting or by some other means. Last year we used the survey results to plan Pearcedale Primary's initiatives that link back to main messages from the 2016 survey.

This year the Attitudes to School survey will be conducted at our school over the period **Monday 22 May to Friday 23 June**. The survey only takes 20-30 minutes to complete and occurs during your child's class time.

Please speak to your child's teacher if you would like more information.

Newsletter / Letter

Parliament and Civics Education Rebate (PACER)

The Parliament and Civics Education Rebate (PACER) guidelines require schools to report the Australian Government funding in the school newsletter or equivalent, or a letter sent to parents/guardians.

Newsletter: If you place an article in your school newsletter, please provide a copy of the front page of the newsletter with the date and issue reference, as well as the article page.

Letter: If you send a letter to parents/guardians please provide a copy of the signed and dated letter, as well as a note showing how the letter was issued to the parents/guardians e.g. mail out, part of tour information pack, attached to the school newsletter.

Below is an example of the wording you can use in your newsletter or letter.

Students from our school will soon be undertaking (or have recently undertaken), an education tour of the national capital. Students will be given the opportunity to participate in a variety of educational programs with a focus on Australia's history, culture, heritage and democracy.

The Australian Government recognises the importance of all young Australians being able to visit the national capital as part of their Civics and Citizenship education. To assist families in meeting the cost of the excursion the Australian Government is contributing funding of <<\$>> per student under the Parliament and Civics Education Rebate program towards those costs. The rebate is paid directly to the school upon completion of the excursion.

Annual General Meeting

When: Tuesday 27th June, 2017

Time: 7.30pm

Where: Pearcedale Primary School Gym

Come Along to find out more about our Basketball Club and have a say in how we can ensure our kids get the most from their sport!

Perhaps you could join the committee?

Many executive roles as well as general committee positions need filling due to long standing members resigning. **More people = Less work**

We require at least one representative from each team to attend so that we can reach our minimum quota to hold the meeting.

Our current committee work really hard to ensure the club continues to grow so that the kids can continue to play the sport they love. We would appreciate if you could confirm who will be attending so that we can make sure the meeting will be a success.

The monthly Committee Meeting will be held after AGM has finished.

Any queries or to confirm attendance you can contact the club on email; pearcedalebasketballclub@hotmail.com
