Music Camp

Last week some of our very talented musical students went on the music camp in Mt Martha. Despite some last minute "accommodation issues" the music camp was a wonderful experience for all of our children and many new friendships were made. Six schools combined to form an amazing orchestra performing lots of all time favourite hits. Thank you Kerri Rowe—your leadership coordinating the camp for us was awesome

Learning is fun at Pearcedale

This week I visited the children in a Science lesson. The children were totally engaged in the problem solving task that they were undertaking. Science is such a wonderful subject and we are so lucky to have Mrs Hart and Mrs Smith leading our budding Scientists—great work everyone!

School Photos

School Photos were taken this week. Thank you parents for ensuring our children were well presented in full school uniforms. Our new photography company complimented the school for having such wonderfully polite children.

Nude Food Tuesdays

Don't forget one day per week, we are trying to encourage everyone to bring their food in reusable containers. This is our way of educating students about litter and reducing waste. Please help us by sending food along in containers rather than plastic. Even chips fit into a small plastic container. Maybe it is also an opportunity to have purely healthy food on this day as well! Of course, if it is not completely possible - please just do your best!

Regional Cross Country

Congratulations to our Regional Cross Country team who competed at Ballam Park on Monday.

What a fantastic effort from everyone. The team included Riley J, Jemma M, Kailey N, Sophie L, Ayden F, Will D, Ryan S and Bailey G.

You can all be very proud to have qualified for this level.

MUSIC CAMP 2017

This year we took 23 students along with 120 students from 5 other schools to a new location for camp as our camp had apparently double booked us!

All was good at the new location and the children and families were very flexible and accommodating to the change at such short notice.

THANK YOU.

The children had such an amazing time catching up with friends they had met in previous years on camp and settled down ready for tutor groups.

We learnt 15 new songs in 3 days, which never ceases to amaze me at how clever the children are. There were many junior tutors who are high school and Uni students who are invited to come back and tutor each year which is very special and shows how much they enjoy passing on their passion for music and how at home they feel there.

We gained a respectful 3rd place in the Spicks and Specks Trivia night and had lots of fun in the Minute to Win it Challenges on the Thursday night.

The children were lucky enough to be inspired by Mrs. Sally Walsh from Boneo Primary School with her moving speech on "Music Matters", they loved hearing Sally's passion and commitment to music programs like ours in schools, and hearing that knowing that something they are good at is important and valued.

On the Friday we were on the bus to Eastbourne Primary to set up and get ready for the concert and proudly show our families what we have been up to.

A huge thank you to all staff and families that made the camp happen and especially the children who make me exceptionally proud every year!
