

A message from our Principal - SIMON ANDERSON

Issue 12 - 25th Aug 2017

WAKAKIRRI

Last night I attended the Wakakirri presentation at the Frankston Arts Centre. What an amazing night showcasing the very talented children not only from our school but other schools around the wider district.

Our performance this year was centred around 4 books and the "Importance of Imagination"! Ms Davies - super talented choreographer - Michelle - props and costumes - and the entire teaching/parent crew should be complimented on preparing the children for this wonderful event. The real stars were of course our super talented children who performed and the back stage children who supported the performance.

"BRILLIANT! AWESOME! SUPERB! TALENT! WOW!" - these are just some of the words that I thought and heard from others!

IT'S A BOY

Congratulations to Katie Davies and her partner Nat on the birth of their second child Billy! On behalf of the whole Pearcedale community we wish you all the very best and we look forward to meeting him!

HEADLICE

Headlice appears to be around again (when isn't it!). Please check your child's hair and treat as required. Please don't forget that all clothing and bedding needs to be treated if your child has it. If we work together we can minimise them at PPS!

PORTABLE

Fencing has gone up today and on Monday a new portable is arriving, this will be added to our "village" area. There will be some minor disruption to a couple of grades on Monday and the rear playground will be closed for the day, but beyond that disruption should be quite minimal.

BAILEY

Congratulations to Bailey—he represented Australia in Karate. He competed in QLD with great sportsmanship, pride and hard work—Way to go Bailey! We are all proud of you!

VR Indigenous Incursion

This week each class participated in an a fifty minute virtual reality incursion where they extended their knowledge of indigenous Australians. Some of the concepts that were covered were bush tucker, dreaming stories and the significance of dance. The students found the virtual reality experience amazing! The incursion was funded by the Incursion Levy.

Support your child's learning — at home!

You want to help your child develop their literacy and numeracy skills, but working out how can be tricky. How do you find activities that reinforce and build on the concepts and skills your child will encounter in the classroom?

The answer: this website. Everything here supports the Australian Curriculum for primary school, and is child (and parent) friendly. Browse by your child's year level, or search for a topic, and the website will suggest ideas, activities, games and videos you can use to support your child's learning.

SPORTS REPORT

It's been a very busy few weeks in the PE department. Last week the Year 6 students took part in the district Hoop Time Basketball competition, playing against other schools in our district in a round robin tournament. We had some fantastic results on the day, with the All-Star Girls progressing all the way to the Grand Final, in which they played a very strong Woodlands outfit. Woodlands were too strong in the final, but it was a tremendous effort by the girls to finish Runner-Up overall. The All-Star boys had a great day, finishing in Third place. The Future-stars teams did not progress to finals, but all 4 teams displayed excellent sportsmanship throughout the day and should be proud of the way they represented our school.

Well done to all involved!

We also have some future Cricket and AFL stars in the making! Over the next 4 weeks, we have Cricket Victoria and the AFL running clinics with some of our classes which is bound to be a great experience for the students involved.

Lastly, congratulations to all the students that have qualified to represent Pearcedale at the District Athletics day on the 13th of September at Ballam Park, Frankston. Please make sure you are aware of when training will take place for your event/s so that you are fully prepared to do your best on the day.

Due to our school becoming so big and so busy, this year the Father's Day Stall will run over 2 days.

On Thursday the 31st of August

Grades 2, 4, 5 & 6 will have the opportunity to purchase their Father's Day presents.

And on Friday the 1st of September

Grades Prep, 1 & 3 will have their opportunity to purchase their Father's Day presents.

The stall will also be open after school on Friday the 1st of September from 3.30pm to 4.30pm for you to purchase any last minute gifts.

So, can you please send your child/children along to school with no more than \$20 and a recycle bag to carry their gifts home in.

There is a roster at the office for you to put your name down to help out on the stall. We cannot run the stall without your amazing help.

Thank you from the Parents and Friends Team
