

# Pearcedale Post

## A message from our Principal - SIMON ANDERSON

Issue 14 - 22nd Sept.

### WHAT A WEEK!

Over the past week students at our school have been involved in the following :  
Year 3 Camp, Footy Parade, Year 2 Excursion, Footy Clinics, Wakakirri Grand Final, 360 Bus

No wonder everyone is looking a little tired. After such a long term with so much wet weather I hope everyone enjoys a wonderful, relaxing break!

### 2018

The administration team and teachers are developing their plans for 2018 to ensure that we have a smooth and successful beginning. To ensure that we develop optimal balance of staff and students, staff will use a range of assessments and information to base our decisions for grade blends. Teachers spend many hours developing these groupings. Children will not necessarily be placed in friendship groups as we believe that all children need to learn the skill of developing new friendships. We believe that there are many opportunities such as recess and lunch to socialise. We have well developed social skill programs to develop positive relationships with all students, that foster the development of a wide group of friendships. We all know that we do not necessarily work best with our best friends! Of course this does not mean that your child will not be with any of their friends!

**I am happy to receive in writing from any families, any special learning needs (physical, social or emotional) which may have an impact on their grade placement. I must have these by Tuesday 31st October. These requests will be considered, but are not guaranteed.**

Requests based purely on friendships or staffing are not appropriate. Staffing has not been finalised for 2018 and staff are still being allocated to year levels.

Of course staff will use their professional judgment to ensure the best possible outcomes for all students. Once grades are finalised, these will not be changed unless there are exceptional circumstances.

**Our mission is to enrich and equip all students with knowledge, skills and strategies that empower them to be active life-long learners, productive community members and global citizens.**

## Call to Action for Pearcedale Primary School Sustainability Committee

An invitation is being extended to all parents and staff at PPS who are interested in coming together to form a Sustainability Committee for the school. This committee, led by Enviro Angels, will implement projects at the school to invigorate a passion for sustainability, minimise waste production and create a better environment for the school community. The inaugural meeting will be held in Week 2, Term 4. Please forward your expressions of interest to

[info@enviroangels.com.au](mailto:info@enviroangels.com.au)
