

# Pearcedale Post

## A message from our Principal - SIMON ANDERSON

Yesterday we had our first ever Art and Genius Hour Expo to showcase our Grade 5 and 6 students Art and Genius Hour projects. Students, parents and friends were able to move through the Grade 5 & 6 area to look at their Artwork and view their Projects on display at lunchtime. Students put in a lot of effort to create a stall to showcase their work. After that, students had the opportunity to present their Genius Hour projects in their Classrooms. The afternoon was a big success! Well done to the teachers involved with helping organise everything and a huge thankyou to the parents and friends who came along for the day.

The art pieces were created in the art room using famous artists and art pieces as a guide and inspiration for our budding artists. Comments from parents yesterday included "These look just like Monet and Rembrandt !"

Congratulations to all of the students involved in both expo. Some students also spoke at a special presentation in the hall. Angus B. was our MC for this session ....a proven showman! Below are a few photos from the day.

## Canteen News

Please note that the Canteen will be closed on  
Monday 6th November  
and will re-open on  
Wednesday 8th November

## PEARCEDALE REMEMBRANCE DAY SERVICE

On Saturday 11th November, a group of Grade Six students will be participating in the Pearcedale Community Remembrance Day service at the Community Hall.

These students have proudly volunteered to be involved and will be part of the service in several ways. Some will be representing R.S.L veterans from the local area by wearing their name badge, one student will be presenting a detailed recount of a veteran's life, as well as students participating in the wreath laying service.

We feel that this experience will be a memorable and special opportunity for the students and most fitting as the children have experienced and visited the Australian War Memorial and completed a unit of work on 'War' earlier in the year.

The Grade 6 teachers and Mr Anderson will be attending the service and they are looking forward to seeing the students represent our school in such an honourable way and participating in a community event.

## Regional Athletics

Congratulations to the outstanding efforts of our athletes at the Regional Athletics at Casey Fields.

It was a hard day of competition, with heavy down pours of rain making for a very wet track, and difficult conditions for throwing events.

This level of competition is extremely high, and our Pearcedale students did themselves, PPS, our District and Division proud.

Well done to

Sienna O – Shotput and Discus

Jack H – Discus

Zac G – 100m

Nick S – LJ

Jack B – 800m

Tamsyn C - Shot put

Luke S, Jamie A, James L and Lochie M – Relay

Congratulations to Lochie M who competed in the Hurdles on Tuesday.

What a fantastic effort winning his heat and finishing 4th overall. What a great achievement.

Thanks to all our wonderful parents and families for all the support on the day.

Well done to all.

Dear Parents,

It's that time of the year, when men around the world shave and grow their upper lip for an amazing cause "Men's Health"

In saying that the **Mo Bro's of Pearcedale Primary School**, this Movember have committed their upper lips to help change the face of men's health. We are growing our moustache's for 30 days, and we need your support!

How do we support you ask? Well spread the word,

Every Monday of the month we will have **MO Mondays** – For a gold coin donation kids can have a Moustache drawn on their face for a day. (Range of styles)  
Silly Sock Tuesday – Bring a gold coin donation to wear a pair of silly socks or your favourite socks on a Tuesday.

There will be posters hung up around the school promoting **Movember**. If you would like to donate some money make your way to the Mo Bros page via link below.

<https://moteam.co/pearcedale-primary-school-teachers-and-mo-s?mc=1>

Many thanks,

The staff at Pearcedale Primary School.

WE NEED YOUR HELP TO DONATE TO A GOOD CAUSE!

# MOVEMBER AT PEARCEDALE PS

## WE'RE LOOKING FOR PEOPLE TO HELP!

Here at Pearcedale Primary School we are trying to promote awareness of men's health by wearing Moustaches in the month of November.

What does this mean you ask?

On selected **Mondays** and **Tuesdays** of November we will have *Mo Mondays* and *Silly Sock Tuesdays*.

Bring a gold coin to have a moustache drawn on your face every Monday, and also wear your favourite silly socks on Tuesday's

## MO MONDAY DATES

7th, 14th, 21st, 28th of November

To donate to a great cause go to

<https://moteam.co/pearcedale-primary-school-teachers-and-mo-s?mc=1>

TO HELP DONATE **SCAN** THE QR CODE ABOVE AND HEAD TO THE PEARCEDALE MOVEMBER PAGE

# Sustainability DAY!!

know.  
Know what to  
do

Bring a gold  
Coin donation!  
All Money goes to  
the DOLPHIN Research  
Institute

14th of November  
of 2017

Green = Land  
Blue = Ocean

Wear Green and  
Blue!! It's also  
an out of uniform  
DAY

## Waste Audit results

Last week, our Sustainability Committee, led by Enviro Angels, conducted a Waste Audit at the school.

This smelly endeavour was undertaken to see just how much, and what type of rubbish the school is generating in an average week. From the results, we could establish where we can reduce the amount of rubbish being sent to landfill every week - reducing costs for both the school and of course, the environment.

Of the 6,000 litres of waste produced each week, it was found that approximately 2,700 litres is soft plastic. This staggering amount (nearly half of the rubbish!) made up of chip packets, biscuit & bar wrappers and re-sealable plastic bags, goes to landfill and then can make its way to our oceans where it is consumed by wildlife, the result of which is devastating.

We can all make a huge difference to this large % by supporting NUDE FOOD - everyday! Please consider the use of reusable containers (with your child's name clearly marked), wax or silicone food wraps to replace cling wrap or even aluminium foil which can be recycled instead of disposable single-use packaging. Every classroom will have a basket by the door for students to return their containers to.

**DID YOU KNOW:** you can recycle soft plastics at Coles and Woolworths? The recycled material is used to make things like furniture, bollards and play equipment. Check out our Buddy Bench outside the art room for a great example!

The next largest portion of the rubbish (1,800 litres) was made up of recyclable materials - plastic bottles, cans, noodle containers and the like. We are currently working with the City of Casey to get additional recycling bins for our outside areas so we can divert this rubbish from landfill to recycling.

We found a huge amount of uneaten sandwiches and crusts in the bins which accounts for 1,200 litres of rubbish a week!! Have you checked in with your children lately to see if they like the sandwiches you are packing for them? Uneaten food is a waste of your time & money & children with empty tummies having difficulty maintaining concentration. In the future we will look into a Bokashi composting system to handle this waste, but of course, ideally, we would like to reduce the amount of it!

Lastly we had a small amount of compostable rubbish mainly made up of fruit scraps. Shortly all classrooms will each have small buckets to collect this waste which will be composted in the school's compost bays for use on the veggie gardens.

Although the amount of waste being produced is significant, we are confident that our work with the Sustainability Committee will reduce this in the future, with an aim to conduct the audit again in 6 months to measure the changes.

Thank you to our helpers, the students & teachers that dropped by & all the great questions raised.

It's never too late to become part of the Sustainability Committee, all help is welcomed, for the benefit of the school & the environment.

If you would like to know more about the Committee or ways to reduce your waste, please contact us via email: [info@enviroangels.com.au](mailto:info@enviroangels.com.au) or attend our fortnightly Friday meeting!

## NEWSFLASH!!!

A huge HIGH FIVE to class 4 NF who have already started making sustainable changes in their classroom! Students in this class already have their recycling box in action, along with the awesome initiative to take their lunchbox soft plastics home again! Well done 4 NF and thanks for limiting the use of your regular rubbish bin!!!

www.saverplus.org.au

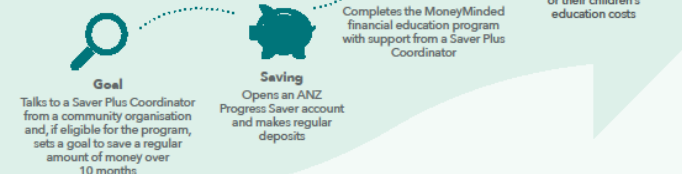

Saver Plus is an initiative of the Brotherhood of St Laurence and ANZ, delivered in partnership with Berry Street, The Benevolent Society and The Smith Family and other local community agencies. The program is funded by ANZ and the Australian Government Department of Social Services. Go to [www.dss.gov.au](http://www.dss.gov.au) for more information.

## What is Saver Plus?

- A free ten-month savings program providing financial education, budgeting and savings tips.
- Participants receive up to \$500 in matched savings for education costs for themselves or their children.
- Delivered by Brotherhood of St Laurence, Berry Street, The Benevolent Society and The Smith Family and other local community organisations.
- Offered in communities across Australia in every state and territory.

### A Saver Plus Participant's Journey

### Who can join?

- Participants must meet all of the below criteria:
- have a Centrelink Health Care or Pensioner Concession Card
  - be at least 18 years old
  - have some regular income from work (themselves or their partner)
  - have a child at school or attend vocational education themselves.

### Benefits for participants<sup>1</sup>

- 87%** continue to save the same amount or more up to three years after completing the program
- 81%** were better equipped for unexpected expenses
- 93%** reported increased self-esteem
- 85%** had more control over their finances

### How did it start?

Saver Plus began in 2003 as a Brotherhood of St Laurence and ANZ pilot program with 268 participants in three sites across Victoria and New South Wales.

Since then, the program has expanded to all Australian states and territories, reaching more than 32,000 people, making it the largest and longest-running program of its kind in the world.

### Since 2004<sup>1</sup>:

- 32,000+** participants
- \$17.3m** - total amount saved by participants
- \$14m** - matched funds paid by ANZ
- \$753** average amount saved per participant
