A message from our Principal - Simon Anderson

PLAYGROUND TYRES

Recently one of our dads helped us relocate the old tractor tyres that we have had around our school, so that they can be repurposed as a piece of art around our playground. Corey (Prep MW), his Dad Leigh and his Grandfather Graham worked through the rain and re-positioned all of these tyres. They look great! Thank you to Corey, Leigh and Graham!

The tyres are now having art work added to them courtesy of Kerry Kingham and students, during Art.

STRATEGIC REVIEW

Next term the school commences the process of developing a new School Strategic Plan. The first stage is a self review of the school's progress over the past 4 years. This document will be completed during Term 4 and staff, students and parents will be involved. The second stage which will occur in Term 1 2019, involves a series of meetings to verify and develop the ideas from the self review. Finally, a new plan will be developed, also during Term 1 2019.

NAPLAN

Recently we received the results of the NAPLAN testing held in May. NAPLAN is a series of assessments conducted nationally. Presently we are unpacking all of the data. Overall we are very proud of the student's achievements with five of the ten components exceeding state averages. Four of the other five were within one to two points of the state average.

CONGRATULATIONS

Well done to Jackson S (2BH) who has earned the Joey Scout Promise Challenge. This is recognised as a significant achievement in scouting. An outstanding achievement!

HOLIDAYS

To all our families and staff, I trust that you will have an enjoyable and safe break and I look forward to seeing everyone when we return on 8th October.

Student Sustainability Team's School Holiday activity idea!

You might like to create a story to tell us about how you reduce your waste at home. You can draw, write, photograph, map or draw a diagram. Be creative! We would like to share how our Pearcedale families reduce waste by Refusing, Reducing, Reusing, Repurpose and Recycling.

You can give your story to your SST rep in the first 3 weeks of Term 4. Have fun!
